

# FROM HEAR TO ETERNITY

## Telling a better Bible story

A training day for those serious about  
Teaching the Bible to children.

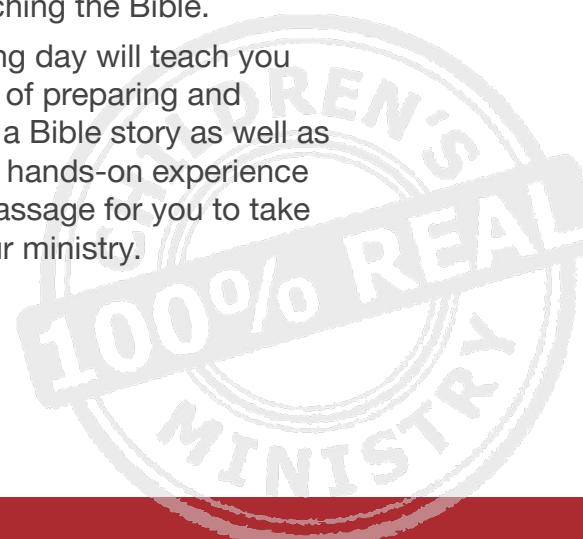

### Training Outline

40% of the Bible consists of stories.

So, learning to tell a story well is an essential skill for anyone serious about teaching the Bible.

This training day will teach you the theory of preparing and presenting a Bible story as well as give you ample hands-on experience with a particular passage for you to take away and use in your ministry.

*Thanks very much for Saturday. It's changed my whole approach to lesson planning. Great stuff!*

*It was such a great help for me and all the team I lead.*

*I wanted to say a massive thank you on behalf of our Youth and Junior Church team for your input to our children's ministries on Saturday. We are so grateful for the teaching, encouragement, discipline, validation, wisdom, food for thought and wealth of ideas we now have to put into practice.*
